

Quick Reference Guide

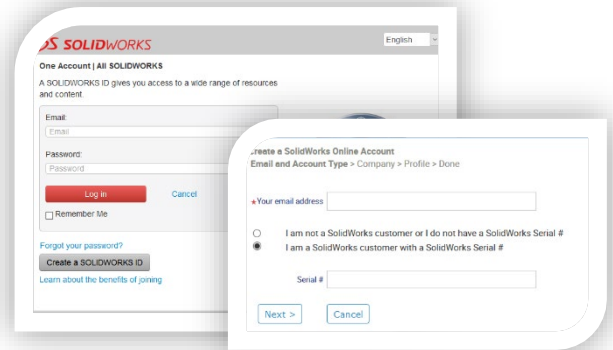

Creating a SOLIDWORKS ID

- In an internet browser session navigate to solidworks.com
- Click the menu icon in the upper right corner
- Select SW Customer Portal from the dropdown menu
- You will be redirected to the SOLIDWORKS Customer Portal

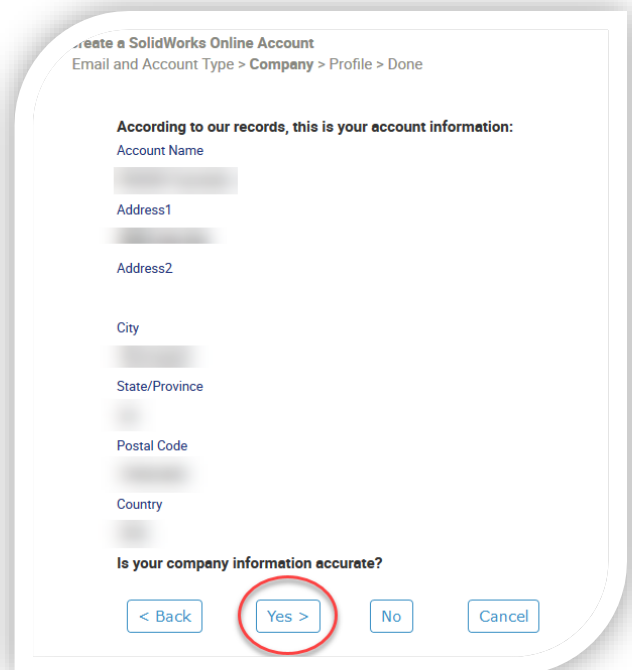

If you already have a SOLIDWORKS ID and need to register products, please see the Register My Products section

- Click the Create a SOLIDWORKS ID button
- Enter your email address
- Select I am a SOLIDWORKS Customer with a SOLIDWORKS Serial Number
- Enter your serial number in the Serial # box then click the Next button

- Your account information will appear, select Yes >
- Enter your First Name, Last Name, Phone Number and Password
- Select your contact preferences

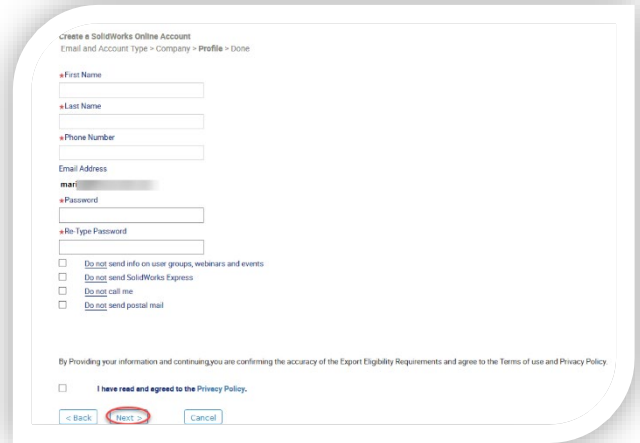

You may work at an organization who purchased your software under a different location than yours. If you click No, you will be unable to create a customer portal account and will need to contact your reseller. Please click YES > to be sure you are able to use the customer portal.

Quick Reference Guide

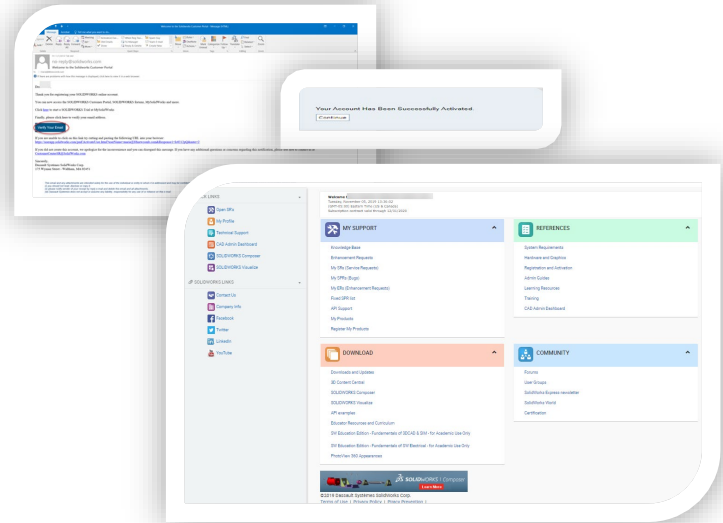

Creating a SOLIDWORKS ID

- Enter the required information
 - First Name
 - Last Name
 - Phone Number
- You will see the email address you used to register – you can change this later if you prefer to use a different email address
